1. Having Problems Switching Electricity contract!

Right after retail liberalization of electricity, A lot of troubling telephone solicitations have occurred.

What kind of troubles:

(Example) Receiving a phone call from a big name electricity company informing you that your address and contract number are on the cancelation list. After that your contract has been changed to another electricity company.

What exactly you need to be careful:

- ①. In the case you receive this kind of call, make sure to confirm the company really well.
- ②. If you don't have any wish to change into another company, you need to refuse clearly.
- ③. Do not give the caller your information from your utilities receipt.

If you have contracted a new electricity company on a phone call, you can still call to cancel using the cooling off period within 8 days after you receive your contract. If you are in trouble, please call the consumer information center.

Inquiries: Consumer information center (Kurashi-no anzen-ka) at (83)1629, fax (82)4333.
