1. Feel relief and Safety in Winter

Inquiry: Kanri Iji-ka at (82)4233

Here is some information for snow removal:

- Snow removal priority roads:

In our city we perform snow removal for primary roads such as national route's and prefectural route's in the city, the main road around the train station and the area around emergency facilities (fire departments and emergency hospitals).

The arrangement of a snow removal is so that citizen can live in peace here during the winter season.

- Closed roads due to snow removal procedure

In order to proceed with snow removal, we are afraid it's necessary to close for the mentioned roads during times of snow removal.

For more information please seek the Japanese version of the Gotemba newsletter.

2. Introducing an Individual Radio Receiver and Transceiver for Administrative Wireless Communications

Inquiry: Kiki-kanri ka at (82)4370

Individual receivers and transceivers are to be renewed.

At this moment all the radio information for self defense drills or city information is announced from individual receiver/ transceivers. These devices are to be renewed over a 6-year time period. From November to March every year, scheduled households will receive a notification for replacement in advance.

● Individual receiver and transceivers will be granted from city.

1. Please check the batteries often
2. If you move from one place to another place in town, please take it with you.
3. In the event you move to another city or town, please return the 'Kiki-kanri' device to the city.
