1. Feel Safety and Relief in Winter

Inquiry: Management and maintenance section at (82)4233

6 points to deal with snow for a safe and comfortable life

1. Maintenance of garden trees
2. Avoid unnecessary trips by car
3. Stay away from snowplows
4. Do not park on the street
5. Remove snow with neighbors
6. Installation of winter tires

Here is some information for snow removal

○Snow removal for priority roads:

In our city we perform snow removal for primary roads such as national routes and prefectural routes in the city, the main road around the train station and the area around emergency facilities (fire departments and emergency hospitals). The arrangement of a snow removal is so that citizen can live in peace here during the winter season day and night.

○Closed roads due to snow removal procedure:

In order to proceed with snow removal, we are afraid it's necessary to close for the mentioned roads during times of snow removal.
